**CAPTAIN JOHN'S  
SAFETY TIPS**

# Fire Safety

When it comes to fire, you shouldn't play around. It can do a lot of damage, and hurt people too. That's why Mayfield's firefighters are here, to help keep you safe! Read the tips below to find out how you can help prevent a fire, and stay safe if there is an emergency.

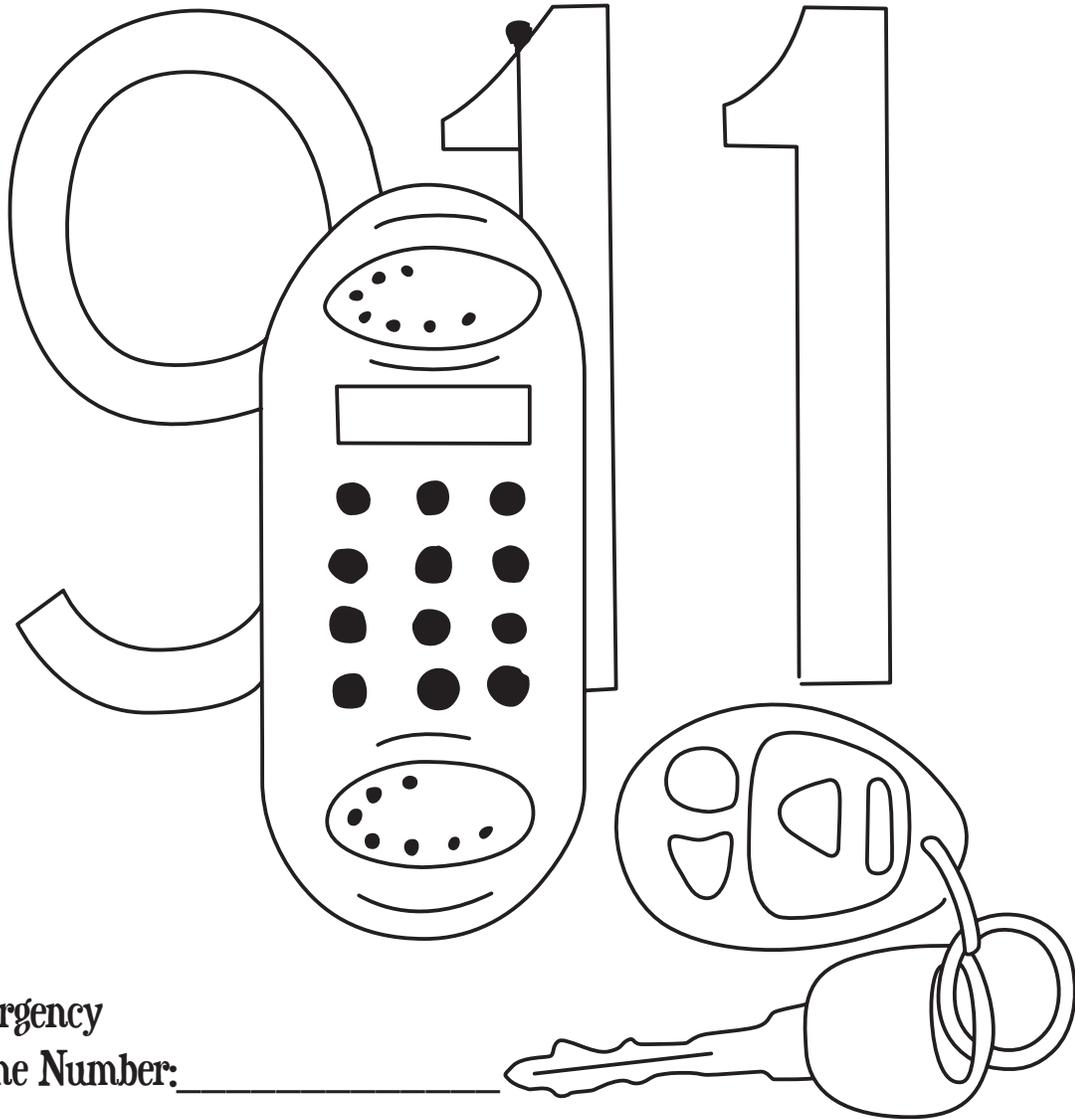

## Remember These 3 Fire Safety Tips:

1. Remind your parents to check the smoke detectors around the house and change the batteries.
2. Ask your parents to show you where to go if there is a fire in your home, and have fire drills!
3. Never play with the stove or electric outlets, or light any fires without an adult around.

# Police Safety

Mayfield's police officers are here to protect the community, that includes you! They want you to know how to be safe when you are by yourself, or in an emergency. Hang this sheet on your refrigerator or by the phone when you're done coloring, so that you know what to do in an emergency.

## Remember These 3 Safety Tips:

1. Memorize your parents' cell phone and work numbers.
2. Never get into a car with anyone (even someone you know) unless Mom or Dad tell you it's ok.
3. Ask Mom or Dad to show you how to call 911 if there is an emergency.

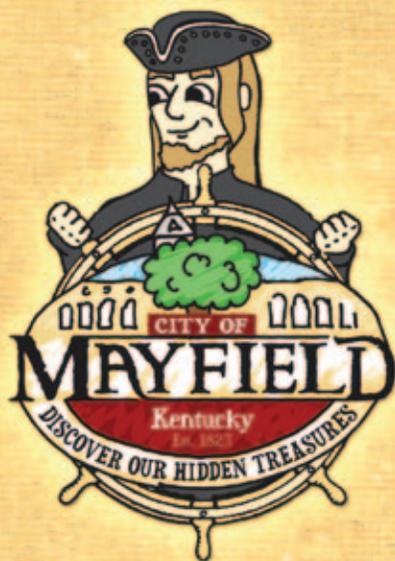

# School Safety

School is hard enough with homework and tests, but getting in trouble or getting hurt can be much worse. Luckily, listening to your teacher, school staff and bus driver can help make your school days easier. Saying no to bullying makes things better for everyone too.

## Remember These 3 School Safety Tips:

1. If you see another kid being bullied, take a stand, or get an adult!
2. Pay attention during emergency drills.
3. Stay in your seat on the school bus, and listen to the bus driver.
